

# In Bloom

1080/A3

Natural brass wall light with glasses

48 cm 34 cm 16 cm

3x max 4W LED G9

## The In Bloom series

The flower meadow is the inspiration of this spectacular collection, where the glass forged as a simple flower decorates and embellishes the hammered brass structure. Here it is presented in ceiling and wall versions, but it is suitable for developing lots of solutions to adapt to the most diverse lighting needs. The finish is in Natural Brass, but can be customized
