4795/LG

Shaded gold plated table lamp w/glass and pleated silk shade

Ø 40 cm I 72 cm 5 Kg
1x max 42W E27

The Charlotte series

The Charlotte Collection, available in different finishes, is distinguished by the particularity of its crystal: bubbles and golden specks that reflect the color of the metal making it unique. The suspensions can be accompanied by wall lamps, lamps and table lamps for a complete classy furniture. The lampshades are in ivory-colored silk.
