The Natural Mood series

Natural Mood was born from the collaboration with the young artist Luiss Perlanera and reinterprets nature through light, transforming flowers, leaves and mother-of-pearl reflections into handcrafted classic lamps. Gold-plated brass, Australian and American mother-of-pearl shells, and crystals create refined pieces designed for elegant interiors rich in atmosphere and character. A collection that combines artisanal craftsmanship, precious materials, and stylistic continuity between chandeliers and wall lamps, bringing warmth and sophistication to every space.
